PROJECTS

[Open Source Contributor for nonprofit - Ruby for Good](#) **Tech:** Ruby on Rails, PostgreSQL, RSpec
- Tackled and resolved issues with extensive automated testing, demonstrating problem-solving skills.
- Submitted detailed pull requests that underwent thorough reviews and conflict resolutions.
- Engaged in high-level communication through PR discussions and Slack channels, showcasing teamwork and collaboration.

[GTs Fortnite Tracker](#) [Launch](#) **Tech:** Ruby on Rails, React, RSpec, PostgreSQL, Postman, Redis
- A video game tracker that integrates Fortnite's API, enabling users to view the latest in-game items available for purchase and search for player statistics.
- This application implements a customized internal API to transmit with API testing done with Postman.

PROFESSIONAL EXPERIENCE

Software Engineering Consultant, Remote,   2023-2024
- Diagnosed and resolved software bugs, collaborating with team members to ensure smooth functionality across applications.
- Wrote and maintained unit tests to ensure code reliability and catch issues early.
- Assisted in debugging API integrations, improving data flow and reducing errors.
- Identified and documented edge cases to improve overall test coverage.

Materials Management Specialist, Texas Health Resources, Denton, TX,   2021-2022
- Ensured the accuracy and security of over **1,000,000** financial transactions while efficiently managing package logistics through ERP system PeopleSoft.
- Successfully handled the processing and distribution of packages and financial confirmation.

Grocery Team Member, Whole Foods Market Uptown, Dallas, TX,   2019-2021
- Assisted with closing procedures to ensure a smooth end to the day's operations.
- Trained and onboarded 5 new team members, ensuring seamless integration into the team and adherence to company standards.

EDUCATION

Turing School of Software and Design
Accredited Certificate in Back-End Engineering   2023

University of North Texas   2021
Bachelors of Arts - Anthropology, Certificate in Applied Anthropology
